**SUMMER CATALOG**

**TO ORDER CALL 800 - 216 - 5184**

Dear Customer,

**We cordially invite you to review HT's 2023 summer catalog and program!**

Our goal is simple: To provide you with a variety of competitively priced, everyday turn-key rods, reels, combos, terminal tackle and accessories, plus an impressive selection of specialty rods, combos and associated items such as rod holders, air pumps, fish baskets, cricket products and cap lights - along with some unique items you simply won't find anywhere else, including clip-on slip bobber weights, the Board-Stor, Mag-Net-Go, Fire Fly Planer Board lights and our Oxy-Max Solar Powered Air Pumps.

You'll find our container and cross-dock program provides a distinct competitive advantage, too - one designed to help you be more competitive by offering a combination of highly competitively prices - while simultaneously enabling you to generate and enjoy notably higher margins.

Please accept our invitation to contact our helpful, friendly staff waiting to eagerly serve you!

You may call us toll free, (800) 216-5184. Call us Monday through Friday between 8:00 a.m. and 4:00 p.m. (CST), we look forward to helping you increase your sales volumes and margins in 2023.

Sincerely,

Ken Grahl, President  
HT Enterprises, Inc.

## Mag-Net-Go

MODEL #  
**MAG-1**

- Assists in netting fish
- Prevents tangling
- Stops net from getting caught in trolling motor
- No longer need hands to hold onto the net

The **Mag-Net-Go** has been designed and successfully proven to help you catch more fish by netting them. Paul "Coot" Williams invented, tested, and evaluated the results of the Mag-Net-Go to have less tangles and drag when netting your big catch.

*Sound & Light Indicates Strike!*

## All Season Micro-Lite

This 4 season micro lite is designed for use on any fishing rod by simply clipping on toward the end of the rod. Then by sliding your line thru the clip on the side, the light/buzzer is off - when the fish strikes, the line slides out and the light/alarm is then on alerting you to a bite. The ML-7 Micro Lite also works on ice fishing tip ups. Comes with lite and two standard 1.5V batteries (hearing aid, 312 or 392, or equivalent)

## Cathunter Bite Alarm

- Universal for mounting to any rod
- Alarm and LED light goes off when fish strikes
- Quick mount system and for easy to take off
- Catch more fish at night, and never miss a strike again
