Life is Good Today

**Hi ♦ TECH Xtreme
Performance**

Mission Statement

HT Enterprises, Inc. has raised the bar.

We've teamed with professional tournament angler Jimmy Houston, and together, created a premier series of specialty, ultra-high performance fishing rods and reels designed to provide an edge.

This is no every day line-up. HT's Jimmy Houston Xtreme Performance products have been engineered by an elite angler for experienced anglers who take their sport seriously. Anglers who don't just desire, but intend to rise to the next level. Not only hook the fish of a lifetime, but demand to land it. Don't simply believe they will catch a trophy fish, but expect to shatter the record. Not just placing, but outright winning that big tournament.

Check the components: Lightweight, precision tapered, premium grade high modulus graphite blanks. Secure, comfort-fit custom reel seats. Strong, precision balanced, premium grade, hand-tied guides. Machined components. Computer balanced, multi-bearing drives, infinite anti-reverse--responsive performance all incorporated into a smooth series of specialty creations offering a variety of technique-matched, select balanced lengths, actions and sizes.

Don't be timid. Take your game to a new level.

Life is good today!

Hi ♦ TECH Xtreme Performance

JIMMY HOUSTON BLAZE PRO DX

Jimmy Houston Blaze Pro DX rods feature custom woven, ultra-high modulus graphite blanks with unique carbon criss-cross pattern, fitted with lightweight yet strong, friction minimizing aluminum oxide guides, lightweight reel seats and stainless steel cushioned reel seat hoods to produce an unsurpassed combination of looks, power and sensitivity; each is partnered with precision grade, computer 3D engineered reels perfectly balanced with these rods to help provide longer, more accurate casts, smoother retrieves and uncompromised, fluid-like drag control.

- Exceptionally Smooth Eight Bearing Infinite Anti-Reverse Drive • 6.3:1 Gear Ratio
- Lightweight CNC Machined Aluminum Spool and Handle • Multi-Setting Free-Flow Drag System
- Fully Adjustable Magnetic Brake Spool Tension Adjustment

APALS® LIGHT WHERE YOU NEED IT!

- Can be seen up to 2 miles horizontal and 3 miles from the air
- Runtime: Up to 200 Hours
- Modes: Fast Flashing / Slow Flashing / Steady On / Off
- Heavy Duty 3M® Adhesive Back
- Easy-Pull Tab
- Waterproof, Dustproof & Shockproof

○ ALL PURPOSE ADHESIVE LIGHT STRIPS

APALS® portable light strips are a much "greener" alternative to chemical light sticks as they can be turned off and on and reused many times compared to a one time use chemical light stick. They can be used to light your tackle box, cooler, fishing rod holders or anywhere you require super bright, long lasting lighting. APALS® multi-purpose light strips can reduce volume and weight in your tackle box as they replace several lighting tools with their versatility. APALS® will provide up to 200 hours of light and weighs less than a fraction of an ounce. The highly polished aluminum surface is a great daytime signaling mirror. The bright LEDs with fast and slow flashing modes are highly effective at night for signaling a rescue team. APALS® portable light strips are easy to carry in and carry out and are an essential piece of gear in any tackle box.
